General Information: Your company will receive a decal indicating membership in the Cecil County Chamber of Commerce. Please proudly display this decal so that customers and other businesses are assured that you are a member of the Chamber.

Members having more than one business may join additional memberships for \$75.00 each. Each membership receives two Business Category Listings (which help with business referrals, and are listed in the Chamber database, the Website, and the Annual Membership Directory).

In a concerted effort to keep membership fees at a moderate level, most Chamber information is sent electronically. However, if you wish to receive your information by first class mail, please include an additional \$35.00 per year to cover the postage cost.

Please attach a separate sheet indicating the employees at your organization who would like to receive *Chamber Matters*, the monthly newsletter, and Email blasts. Include each person's name and full email address in clear print. The Chamber strives to contact members no more than once per week, except in cases of urgent legislative updates or other issues that may affect your business, and all member email addresses are kept strictly private, for Chamber use only.

Questions about membership may be directed to Lisa Ayers, Membership Coordinator at events@cecilchamber.com or the office number below.

Thank you for your support! We look forward to serving you.
